Institute May 14-16, Gathering May 16-18

The Beginning is the End. The End is the Beginning.

In the cycles of our lives, we constantly move through changes: from Maiden to Mother to Crone; from Teacher to Warrior to Queen; from known to unknown archetypes of being. With each change comes a new awareness, a new self, a new way of being in the world, of looking at ourselves, our relationships,

our humyn kin, All Our Relations.
